“The new range of Cottage doors
offer rustic charm whilst retaining
the benefits of

low maintenance
and high security”

Outwardly, these doors are indistinguishable from the main range of composite doors, thereby offering a truly aesthetically pleasing door with an unsurpassed level of safety and peace of mind that will keep out both fire and intruders alike.

Unlike most fire doors, the Hurst Composite range is available with specially developed PVC-U frames, also conforming to BS476 fire regulations, providing the benefit of a matching maintenance free frame to keep the entrance to your home in complete harmony.

“The Hurst Composite Door is available with full
**british standard
fire door certification**
on selected ranges.”

platinum clarity and simplicity options

Our Platinum Clarity and Simplicity triple glazed designs are constructed using hand-cut bevels and beautifully textured glass pieces, which are assembled using traditional stained glass methods into zinc or brass comes. The decorative glass is then encapsulated between two pieces of tempered safety glass to give excellent thermal and sound insulation with the added benefit of an easy-to-clean, smooth surface.

door furniture

door handles

A choice of high quality handles, available as lever/lever or lever/pad and incorporating anti-snap security cylinders, are fitted as standard to all Hurst Composite Doors

door knockers and letterplates

A whole range of door knockers and numerals are available in White, Brass and Chrome colour options. Spyholes, door guards, dog bolts and safety chains are also available for the Composite range.

weather bars and door colours

Brass and silver effect weatherbars are fitted as standard to all Composite doors but a range of coloured weatherbars are now available to match your chosen door colour.
